# INTERNATIONAL SEMESTER ON EDUCATION

## The key competences "on board" at primary schools\*

8 key competences

30 ECTS

6 educational departments

12 enthusiastic professors involved in initial teacher training

This is a "cluster" of training modules for initial or permanent teachers interested to introduce a complementary strategy of teaching within the core curriculum of primary and secondary schools.

### Aims:

- \* Identify and define the key competences necessary for employability, personal fulfilment and health, active and responsible citizenship and social inclusion;
- \* Develop a strategy of teacher training as a set of contents focused on the European dimension of education in terms of competences for teaching in lifelong learning.

Target group: International students interested in initial or permanent teacher training.

### Contents:

#### COMPETENCES IN COMMUNICATION

- # 01 - The intercultural dimension in language education (2,5 ects)
